MTV Real World home sold for \$2.2M

An agent at the Miami Beach office of Coldwell Banker has sold for \$2.2 million the house where MTV's Real World Miami was filmed, the company said.

Henry Levy represented both the sellers and the buyers of the four-bedroom, three-bathroom property at 445 E. Rivo Alto Drive in Miami Beach. The 4,976-square-foot home, built in 1956, also includes 125 feet of waterfront property

Coldwell Banker would not disclose the buyer or seller of the home. Miami-Dade property records list the home as last sold in 1994 for \$800,000 to an individual buyer. This year, the home was assessed at about \$1.67 million, up from \$974,534 the prior year, but no homestead exemption was taken, indicating the home was not the primary residence of the owner.
